

Three Exclusive Executive Coaching Offerings for 2021

Celebrating 20 Years of the Face of Leadership®!

Stay at home orders, virtual learning for children of all ages, travel restrictions, office limitations, company layoffs and reorganizations, global economic issues and health concerns . . . 2020 was a year like no other! In response to the challenges, realities, and opportunities leaders will face in 2021, Paragon is excited to present three customized Executive Coaching offerings in celebration of Paragon's 20-Year Anniversary.

Executive Coaching in the VIRTUAL WORLD

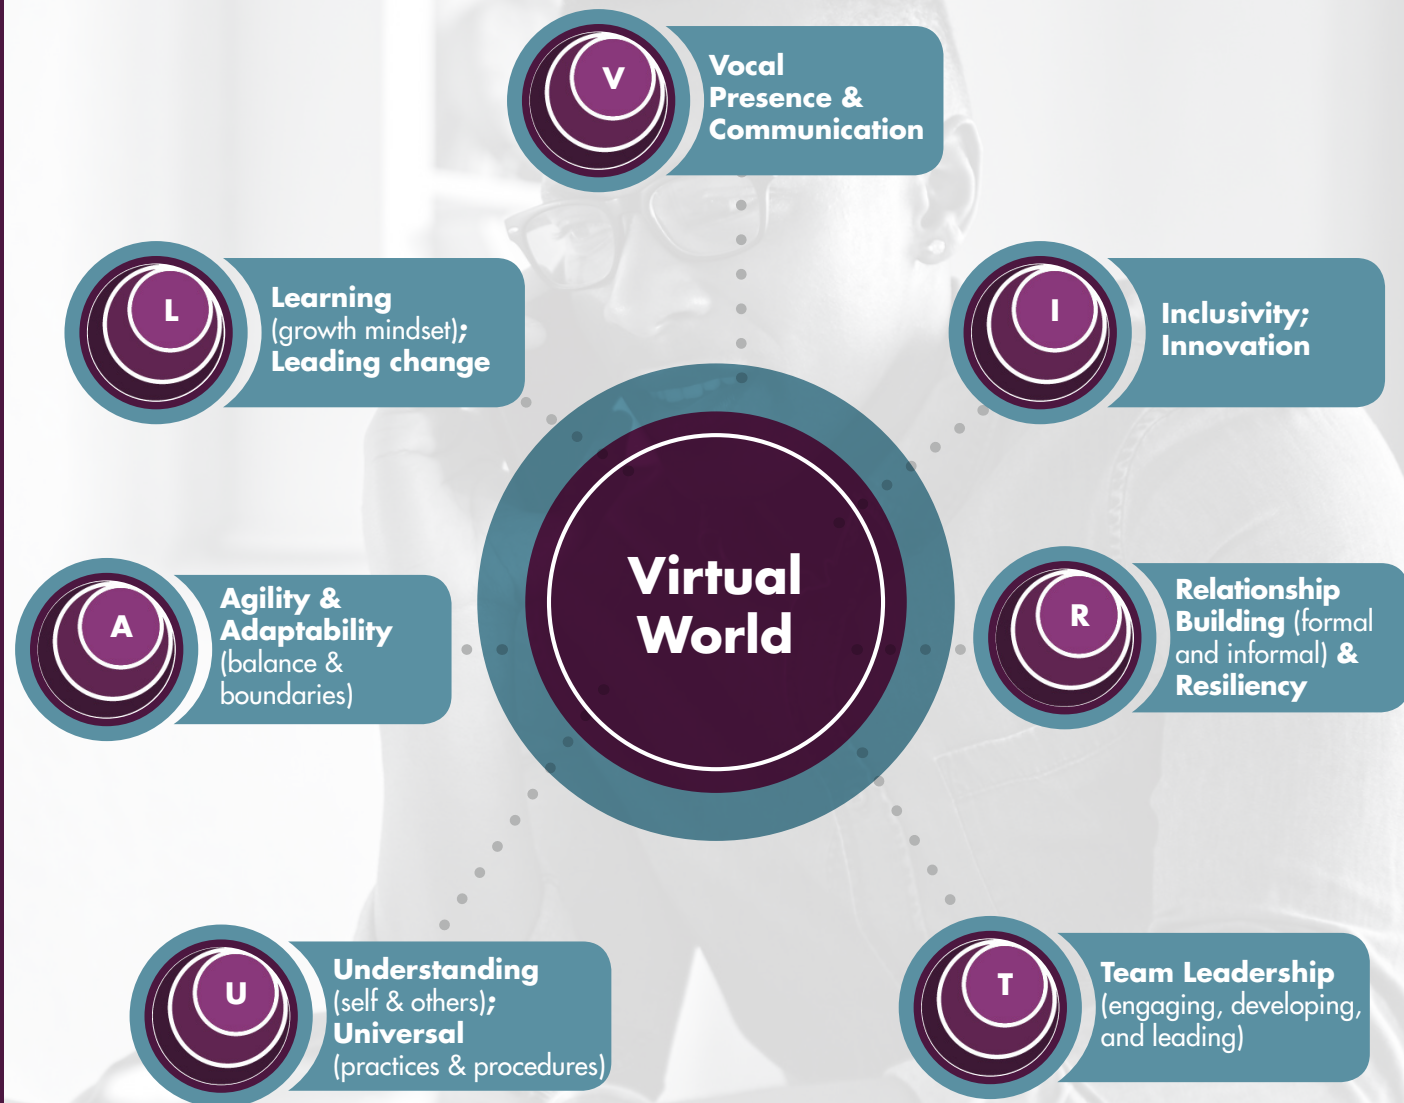

In today's virtual world, learn how to increase satisfaction and results to drive overall effectiveness.

Holistic Executive Coaching . . . where mind & body connect with Leadership Goals

MicroCoaching®

Coaching service that maximizes TIME while increasing ROI.

Executive Coaching for the VIRTUAL WORLD

With Paragon's "Leading in a Virtual World Assessment" identify which elements are your greatest strengths as well as opportunities to help drive satisfaction and results. Build and execute on the plan that drives your overall effectiveness while supported by your executive coach.
